###

Human: what is the last date to apply?###

Assistant: The last date to apply for Semester Fall 2024 is July 29 and the last date to apply for the Spring Semester is December 15.

Human: How do I sign up for an account if I don't have one?

Assistant: To sign up for an account, select the "Don't have an account" option and follow the instructions to register. If you already have an account, log in using your Email/CNIC and password. If you forget your password, use the "forgot password" option to reset it.

Human: What should I do if I forget my password?

Assistant: If you forget your password, use the "forgot password" option to reset it. Follow the instructions provided to create a new password.

Human: Where can I find the option to complete my profile?

Assistant: To complete your profile, go to the "Admission Process" tab at the top of the page. Use the "How to Submit Application" option to view the video and ensure your profile is 100% complete.

Human: How do I select my preferences in the admission campaign?

Assistant: In the "Admission Process" section, select the "Admission Campaign" option. Choose your preferences by clicking the "Add a line" option.

Human: How can I view the total fee amount for my application?

Assistant: After selecting your preferences in the "Admission Campaign," click the "View Total Fee Amount" button to see the total fee for your application.

Human: What should I do after viewing the total fee amount?

Assistant: After viewing the total fee amount, use the "Save" and "Submit Application" buttons located on the top left side of the page to save and submit your application.

Human: How do I download the fee challan?

Assistant: To download the fee challan, use the "View/Download Challan" option available in the "Admission Process" section.

Human: What if I encounter issues while paying the fee via Allied Bank Ltd?
###

Assistant: If you face any issues while paying the fee via Allied Bank Ltd, contact Mr. Zafar, BM, ABL, at 0310-1533033 for assistance.

Human: How do I upload my fee deposit details after paying the fee?

Assistant: After paying the fee, log in again with your Email/CNIC and password. Go to the "Admission Process" section, select "Admission Form," click the "Edit" button, enter your "Fee Deposit Details," and upload the challan. Save the changes using the "Save" option at the top left side.

Human: What is the final step to complete the application process?

Assistant: The final step is to ensure you have saved all your information and uploaded the fee challan. Once you've done this, your application process will be completed. Congratulations!

Human: How can I apply to academic programs?

Assistant: To apply to academic programs, sign up and log in through the online portal at [localhost (iiu.edu.pk)](http://localhost). Follow the instructions provided on the website to complete your application.

Human: what programs are offered by Department of Educational Leadership and Management?

###Assistant: Program Offered To Eligibility Criteria

BS in Education (Educational Leadership and Management) (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

Department of Teacher Education

ProgramOffered ToEligibility Criteria

BS in Education (Information Technology) (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

BS in Education (English Language Teaching) (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

B.Ed 1.5 years (Information Technology) (1.5 Years)Male & FemaleMA/MSc/BS (Hons) degree in any subject with CGPA 2.50/4.00 or 60% marks from Annual/Conventional System.

B.Ed (Hons) (Elementary Education) (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

Human: what programs are offered by Faculty of Computing & Information Technology?###

###Assistant: Program Offered To Eligibility Criteria

Department of Computer Science & Software Engineering

Program Offered To Eligibility Criteria

PhD Software Engineering (3 Years) Male & Female MS/M.Phil. (CS/SE/IT) or equivalent disciplines 2 years degree program (minimum 30 credit hours) with research thesis securing minimum 3.00/4.00 CGPA in semester system or with 65% marks in annual system. The equivalent degree holders have to complete pre-requisite determined by department.

MS Software Engineering (2 Years) Male & Female 16 Years Graduate Degree in (BS) CS/SE/IT/CE or MCS / M.Sc (CS) or BCS (Hons) / BCS 3-years (However, the student will be required to spend two additional semesters to study the deficient courses determined by the department.) or equivalent with CGPA 2.5/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.

MS Data Science (2 Years) Male & Female 16 Years Graduate Degree in (BS) CS/SE/IT/CE or MCS / M.Sc (CS) or BCS (Hons) / BCS 3-years (However, the student will be required to spend two additional semesters to study the deficient courses determined by the department.) or equivalent with CGPA 2.50/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.

Department of Bioinformatics

Program Offered To Eligibility Criteria

MS Bio-Informatics (2 Years) Female 16 Years Graduate Degree in Bioinformatics, Computational Biology, Molecular Modeling or equivalent with CGPA 2.5/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.

###

Human: what programs are offered by Faculty of Shariah and Law?###

###Assistant: Faculty of Shariah and Law

Department of Shariah

Program Offered To Eligibility Criteria

PhD Shairah (Islamic Law & Jurisprudence) (3 Years)Male & FemaleLLM (Shariah & Law) / LLM / MS in Islamic Commercial Law, LLM / MS in Shariah / LLM / MS in Usul-al-Fiqh / MS Islamic Studies / MA (Hons) Islamic Studies (18 years) or equivalent with CGPA 3.0/4.00 or 65% marks from Annual/Conventional System or 70% marks in the semester system examination, where CGPA is not calculated. (Only those candidates having MS Islamic Studies will be considered who have thesis on any topic of Fiqh / Islamic Law).

Department of Law

Program Offered To Eligibility Criteria

###

Human: what programs are offered by International Institute of Islamic Economics?###

###Assistant: International Institute of Islamic Economics

School of Economics

Program Offered To Eligibility Criteria

MS Economics (2 Years)Male & Female16 Years Graduate Degree in Economics / Finance with CGPA 2.5/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.

BS Economics (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

School of Islamic Banking & Finance

Program Offered To Eligibility Criteria

MS Islamic Banking & Finance (2 Years) Male & Female 16 Years Graduate Degree in Economics / Finance / Commerce / Business Administration with CGPA 2.5/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.

BS Islamic Banking and Finance (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

Department of Economics & Finance

Program Offered To Eligibility Criteria

MS Economics & Finance (2 Years) Male & Female 16 Years Graduate Degree in Economics / Finance with CGPA 2.5/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.

BS Economics & Finance (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

###

Human: what programs are offered by Faculty of Social Sciences?

Assistant: Faculty of Social Sciences

Department of Educational Leadership and Management

Program Offered To Eligibility Criteria

Department of History and Pakistan Studies

Program Offered To Eligibility Criteria

BS Pakistan Studies (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

BS History (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

Department of Media and Communication Studies

Program Offered To Eligibility Criteria

BS Media & Communication Studies (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

Department of Politics and International Relations

Program Offered To Eligibility Criteria

BS Political Science (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

Department of Psychology

Program Offered To Eligibility Criteria

Department of Sociology

Program Offered To Eligibility Criteria

PhD Sociology (3 Years) Male & Female MS/M.Phil (Sociology, Rural Sociology & Urban Sociology) with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system.

BS Sociology (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

Department of Islamic Arts and Architecture

Program Offered To Eligibility Criteria

BS (IA&A) (Design/Painting) (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

Department of Anthropology

Program Offered To Eligibility Criteria

BS Anthropology (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

###

Human: what programs are offered by Faculty of Management Sciences?

Assistant: Faculty of Management Sciences

Department of Business Administration

Program Offered To Eligibility Criteria

MS Management Sciences (2 Years) Male & Female 16 Years Graduate Degree in MBA/BBA/BBA-ITM or equivalent in the relevant field with CGPA 2.5/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.

MBA (2 years) (Evening Program) (2 Years) Male & Female 16 years education with minimum CGPA 2.20/4.00 in semester system or 50% marks in annual system from a recognized institution.

[1.5-Years For Business Students]

[2-Years For Non-Business Students]

BS Public Administration (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

BBA (4 Years) Male & Female HSSC or equivalent with minimum 50% marks.

BBA (2 Years)Male & FemaleBA/B.Sc./B.Com (14 years education) or equivalent with minimum CGPA 2.20/4.00 in semester system or 50% marks in annual system from a recognized institution.

Department of Accounting, Finance & Commerce

Program Offered To Eligibility Criteria

MS Accounting & Finance (2 Years)Male & Female16 Years Graduate Degree in MBA/BBA/BBA-ITM/ACCA/CA or equivalent in the relevant field with CGPA 2.5/4.00 or 60% marks from Annual from a recognized institution.

BS Commerce (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

BS Accounting & Finance (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

Department of Technology & Project Management

Program Offered To Eligibility Criteria

MS Project Management (2 Years)Male & FemaleAll candidates with 16 Years education from an HEC recognized university will be eligible to take admission in this program with CGPA 2.5/4.00 or 60% marks from Annual/Conventional System where CGPA is not calculated or 65% marks in the semester system examination, where CGPA is not mentioned on terminal degree/transcript.

BS Project Management (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

BS Business Analytics (4 Years)Male & FemaleHSSC or equivalent with minimum 50% marks.

###

BS Usuluddin (Islamic Studies) (4 Years) Male & Female HSSC or Equivalent with minimum 50% marks. OR

“Sanaviya, Khassah” (2 years) from recognized Wifaqs’ of Pakistan along with equivalence from IBCC.

###

Human: what programs are offered by Faculty of Engineering & Technology?###

###Assistant: Faculty of Engineering & Technology

Department of Electrical & Computer Engineering

ProgramOffered ToEligibility Criteria

PhD Electrical Engineering (3 Years)Male & FemaleMS (18 years of education) in the relevant area of Engineering with minimum CGPA 3.00/4.00 in semester system or 70% marks in annual system. PEC registration is mandatory.

PhD Biomedical Engineering (3 Years)Male & FemaleMS/MPhil or equivalent degrees in Engineering OR in Basic/Applied Sciences with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system.

MS Electrical Engineering (2 Years)Male & FemaleBE/BS Engineering (Electrical / Electronics /Computer / Telecom or any other related field) with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. PEC registration is mandatory.

MS Biomedical Engineering (2 Years)Male & FemaleBE/BS Engineering (Biomedical/Electrical / Electronics /Mechanical/Civil/Mechatronics or any other relevant discipline) OR 16 years education in Basic/Applied Sciences with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.

Department of Mechanical Engineering

ProgramOffered ToEligibility Criteria

PhD Mechanical Engineering (3 Years)MaleMS (18 years education) in the relevant area of Engineering with minimum CGPA 3.00/4.00 in semester system or equivalent with minimum 70% marks in annual system. PEC registration is mandatory.

PhD Engineering Management (3 Years)MaleMS (18 years' education) in Engineering/Engineering Management or equivalent duly recognized by HEC with minimum CGPA 3.00/4.00 in semester system or equivalent with minimum 70% marks in annual system. PEC registration is mandatory.

PhD Energy Systems Engineering (3 Years)MaleMS (18 years education) in the relevant area of Engineering or in basic/applied sciences with minimum CGPA 3.00/4.00 in semester system with minimum 65% marks in annual system.

Statement of purpose (to ascertain the preparedness & interest of the candidate).

University Admission Test 70% marks.

MS Mechanical Engineering (2 Years)MaleBS/BE (4 years) in (Mechanical / Mechatronics / Industrial / Manufacturing / Aerospace / Aeronautical / Energy / Metallurgy / Material) Engineering with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system. PEC registration is mandatory.

MS Engineering Management (2 Years)MaleBS/BE (16 Years) or equivalent engineering degree duly recognized by HECs) with minimum CGPA 2.50/4.00 in semester system or 70% marks in annual system. PEC registration is mandatory.

MS Energy Systems Engineering (2 Years)MaleBS/BE Engineering in (Electrical/Electronic/Mechanical/Civil/Mechatronics or any other relevant discipline) or 16 years education in basic/applied sciences with minimum CGPA 2.50/4.00 in semester system or 60% marks in annual system.

University Admission Test (Passing Marks: 65)

Department of Civil Engineering

Program Offered To Eligibility Criteria

PhD Civil Engineering (3 Years)MaleMS or equivalent in Civil/Construction Management/Architectural Engineering or any other related field with minimum CGPA 3.00/4.00 in semester system or 65% marks in annual system

from a HEC recognized institution of Pakistan or abroad. MS/M.Phil or equivalent degree obtained by research work/thesis of minimum 6 credit hours. PEC registration is mandatory.

MS Civil Engineering (2 Years) Male BS/BE Engineering in PEC accredited program (Civil/Construction Management/Architectural Engineering or any other related field) with minimum CGPA 2.5/4.00 in semester system or 60% marks in annual system from a PEC/HEC recognized institution of Pakistan or abroad. PEC registration is mandatory.

###

Human: what programs are offered by Faculty of Arabic?

Assistant: Faculty of Arabic

MS Nanoscience and Engineering (2 Years) Male & Female BS (16 years education) basic/applied science (Physics, Chemistry, Biology, Biochemistry, Biotechnology etc.). BS (16 years education) in Engineering (Electrical/Electronic/Mechanical/Materials/Mechatronics or any other relevant discipline) with minimum CGPA 2.5.00/4.00 in the semester system or 60% marks Annual System.

###

Human: How to Apply / How to Apply Online?

Assistant: For assistance with applying online, follow these

steps:

1. ****Sign Up and Create Profile:**** Watch the video tutorial [here](<https://drive.google.com/file/d/1dKZmV-3mETCeV7P6ptdYo6R-T1D6jO5L/view>) for guidance on signing up and creating your applicant profile.
2. ****Submit Admission Application:**** Watch the video tutorial [here](https://drive.google.com/file/d/1eY2s7R79nUzkeWJd5kTVvV7s5v_YhQdM/view) to learn how to submit your admission application. ###

Human: If I applied last semester but wasn't successful, do I need to apply again?

Assistant: Yes, you need to apply again if you want to be admitted to the program for the current semester. Previous applications do not carry over.

Human: Can a foreign student apply for the program of their choice? How?

Assistant: Yes, a foreign student can apply. You need to apply through your embassy or send your application directly to the Director (Acad) at IIUI. Download the application form [here](#). Additionally, you will need to submit GMAT and TOEFL scores.

Human: How does International Islamic University assess foreign degrees for graduate study?

Assistant: International Islamic University assesses foreign degrees based on the national educational system of your country, the type of institution you attended, and the level of studies completed. The evaluation considers these factors to determine eligibility for graduate study.

Human: What should I do if my transcripts are not in English?

Assistant: You should submit your transcripts along with translations. The translations must be done either by your school or a professional translating service, and they should be literal, complete versions of the original documents.

Human: Are there separate hostel facilities for female students who do not reside in Islamabad?

Assistant: Yes, there are separate hostel facilities for female students, and there is a female campus. However, hostel accommodation is subject to availability, so while admission to the university is guaranteed, hostel accommodation is not.

Human: Does the university provide transport facilities/facility for students?

Assistant: Yes, the university offers transport facilities for both male and female students. Buses run round the clock to various points in Islamabad, Rawalpindi, and its suburbs.

Human: What are the steps to apply for undergraduate admission?

Assistant: To apply for undergraduate admission, follow these

three steps:

1. Review the admission requirements.
2. Complete and submit the application.
3. Have your transcripts and test scores mailed to the university office. ###

Human: Are male and female students taught together at the

university? ### ### Assistant: No, male and female students

study separately at the university. ###

Human: male and female students study together at the

university? ### ### Assistant: No, male and female students

study separately at the university. ###

Human: Are there female teachers available for female students?

Assistant: Yes, female students have access to female teachers, although some male teachers may also be part of the faculty.

Human: What facilities are available in the hostel?

Assistant: The hostel provides shared rooms for two, three, or more occupants, each equipped with an almirah and a table/chair. Additionally, there is a mess facility for food.

Human: How is merit calculated for undergraduate programs that use PQM criteria?/ How merit is calculated? / How merit is calculated for undergraduate programs?

Assistant: For undergraduate programs that use the PQM (Performance Qualification Method) basis, merit is calculated as follows:

- **Matric:** 40%
- **HSSC:** 60%
- For result-awaiting candidates, 60% of the actual marks obtained in Part-I are considered. ###

Human: How is merit calculated for BS Engineering, BS CS/SE/IT programs that require an admission test?

Assistant: For BS Engineering, BS CS/SE/IT programs where an admission test

is required, merit is calculated according to the guidelines set by the accreditation bodies. ###

Human: How is merit calculated for BA/LLB (Hons) Shariah & Law and LLB programs where an admission test is required?

Assistant: For BA/LLB (Hons) Shariah & Law and LLB programs, merit is calculated as follows:

- **PQM (Performance Qualification Method):** 40% (Matric: 15%, HSSC: 25%)
- **Test:** 60% ###

Human: What is the merit calculation criteria for MA/MSc programs?

Assistant: For MA/MSc programs, merit is calculated as:

- **HSSC:** 40%
- **BA/BSc/B.Com:** 60% ###

Human: What are the requirements for admission to a

PhD program? ### Assistant: For admission to a PhD

program, you need:

- A GRE/HAT General or equivalent test score with at least 60%.
- Admission is not allowed on a hope certificate.
- A CGPA of at least 3.00 in your MS or equivalent degree program is required.
- The GRE-type test marks distribution is:
 - **General:** 40%
 - **Subject:** 60%
- The pattern of the General part of the test should align with the GRE general test conducted by ETS. ###

Human: What are the requirements for admission to an MS program?

Assistant: To be admitted to an MS program, you need to pass a GRE General type or equivalent entry test conducted by the university or department with a passing score of 50%, or a GRE/HAT General/equivalent test with at least 50% score from accredited testing bodies. Admission on a hope certificate is not allowed.

Human: What is the minimum passing score required for the GRE General type or equivalent entry test for MS admission?

Assistant: The minimum passing score required for the GRE General type or equivalent entry test for MS admission is 50%.

Human: What is the passing score requirement for the GRE/HAT General or equivalent test for MS admission?

Assistant: For MS admission, you need at least a 50% score on the GRE/HAT General or equivalent test conducted by testing bodies accredited by HEC.

Human: Can I get admission to an MS program with a hope certificate?

Assistant: No, admission to an MS or equivalent program is not allowed on a hope certificate. You must meet the specified test score requirements.

Human: How is the GRE-type test for MS programs scored?

Assistant: The GRE-type test for MS programs has the following marks distribution:

- **General:** 40% marks
- **Subject:** 60% marks ###

Human: What is the distribution of marks in the GRE-type test

for MS admission? ### Assistant: The distribution of marks in

the GRE-type test for MS admission is:

- **General:** 40%
- **Subject:** 60% ###

Human: What is the required score for the General part of the GRE-type test for MS admission?

Assistant: For MS admission, the General part of the GRE-type test should account for 40% of the total marks.

Human: What percentage of the GRE-type test marks is allocated to the Subject part for MS admission?

Assistant: The Subject part of the GRE-type test is allocated 60% of the total marks for MS admission.

Human: how to contact admission office?

Assistant: Male applicants can contact the Admission Office at the Student Facilitation Center, International Islamic University, Sector H-10, Islamabad, Pakistan. The phone numbers are +92-51- 9019750, 9019567, 9019583, and the fax number is +92-51-9257923.

Female applicants should contact the Admission Office at the Student Facilitation Center, International Islamic University, H-10, Islamabad, Pakistan. The phone numbers are +92-51-9257985, 9019327, 9019324, and the fax number is +92-51-9257929.

The fax number for the male applicants' Admission Office is +92- 51-9257923.

Assistant: Female applicants should contact the Admission Office at the

Student Facilitation Center, International Islamic University, H-10, Islamabad, Pakistan. The phone numbers are +92-51-9257985, 9019327, 9019324, and the fax number is +92-51-9257929. ###

Human: What is the fax number for the male applicants' Admission Office?
###

Assistant: The fax number for the male applicants' Admission Office is +92-51-9257923.

Human: What is the fax number for the male admission office?

Assistant: The fax number for the male applicants' Admission Office is +92-51-9257923.

Human: Where is the Admission Office for female applicants located?

Assistant: The Admission Office for female applicants is located at the Student Facilitation Center, International Islamic University, H-10, Islamabad, Pakistan.

Human: Where is the Admission Office for male applicants located?

Assistant: The Admission Office for male applicants is located at the Student Facilitation Center, International Islamic University, H-10, Islamabad, Pakistan.
###

Human: Where is the Admission Office for males located?

Assistant: The Admission Office for male applicants is located at the Student Facilitation Center, International Islamic University, H-10, Islamabad, Pakistan.
###

Human: Admission Office for males?

Assistant: The Admission Office for male applicants is located at the Student Facilitation Center, International Islamic University, H-10, Islamabad, Pakistan.

###

Human: where is the admission office for female?

Assistant: The Admission Office for female applicants is located at the Student Facilitation Center, International Islamic University, H-10, Islamabad, Pakistan.

Human: How can I reach the Admission Office by phone if I am a male applicant?

Assistant: If you are a male applicant, you can reach the Admission Office by calling +92-51- 9019750, 9019567, or 9019583.

Human: What is the phone number for the Admission Office for female applicants?

Assistant: The phone numbers for the Admission Office for female applicants are +92-51-9257985, 9019327, and 9019324.

Human: What is the fax number for female applicants at the Admission Office?

Assistant: The fax number for female applicants at the Admission Office is +92-51-9257929.

Human: Can students with awaiting results apply for undergraduate programs?

Assistant: Yes, students awaiting results can apply for undergraduate programs. They must submit an undertaking to provide the passed result of the required degree. If they fail any subject or do not meet the required marks/CGPA, their admission will be canceled without further notice. They should report any such issues immediately to the Admission Office for a refund as per the notified refund policy in the IIU Admission Guide.

Human: What should students with awaiting results do if they fail to meet the required marks or CGPA for undergraduate programs?

Assistant: If students with awaiting results fail to meet the required marks or CGPA for undergraduate programs, their admission will be canceled without any further notice. They should immediately report this to the Admission Office to request a refund according to the refund policy outlined in the IIU Admission Guide.

Human: Are students awaiting results allowed to apply for MS, LLM, or Ph.D. programs?

Assistant: No, students awaiting results are not allowed to apply for MS, LLM, or Ph.D. programs. Applications for these programs will not be accepted on a result-awaited basis.

Human: What happens if a student with awaiting results fails to submit the required documents for undergraduate admission?

Assistant: If a student with awaiting results fails to submit the required documents or does not meet the necessary marks/CGPA, their admission will be canceled without further notice. They should report any issues to the Admission Office for a possible refund as per the IIU Admission Guide's refund policy.

Human: What is the process for refunding tuition fees for students whose admission is canceled due to awaiting results?

Assistant: If a student's admission is canceled due to failing to meet the required marks or CGPA, they should report this immediately to the Admission Office to request a refund. The refund will be processed according to the notified refund policy provided in the IIU Admission Guide.

Human: What are the general class timings at the university?

Assistant: Classes are held from 8:30 a.m. to 8:30 p.m. according to the timetable set by the respective Faculty or Department.

Human: what are the class timings at the university?

Assistant: Classes are held from 8:30 a.m. to 8:30 p.m. according to the timetable set by the respective Faculty or Department.

Human: What are the class timings of university?

Assistant: Classes are held from 8:30 a.m. to 8:30 p.m. according to the timetable set by the respective Faculty or Department.

Human: class timings of university?

Assistant: Classes are held from 8:30 a.m. to 8:30 p.m. according to the timetable set by the respective Faculty or Department.

Human: What are University class timings?

Assistant: Classes are held from 8:30 a.m. to 8:30 p.m. according to the timetable set by the respective Faculty or Department.

Human: Are there specific class timings for different faculties or departments?
###

Assistant: Yes, class timings vary and are scheduled according to the timetable of the respective Faculty or Department.

Human: What is the earliest time a class
can start? ### ### Assistant: The earliest class
can start at 8:30 a.m. ###

Human: Until what time can classes be
scheduled? ### ### Assistant: Classes can be
scheduled until 8:30 p.m. ###

Human: How can I find the timetable for my classes?

Assistant: The timetable for your classes will be provided by your respective Faculty or Department. You should check with them or access it through the university's online portal.

Human: If I have a class schedule conflict, who should I contact?

Assistant: If you have a class schedule conflict, you should contact your Faculty or Department office to discuss possible solutions or adjustments.

Human: Are classes held on weekends or only during weekdays?

Assistant: The information provided specifies that classes are held from 8:30 a.m. to 8:30 p.m. without indicating specific days, so it is best to consult your Faculty or Department for details on weekend classes.

Human: What are the main expectations for students under the Code of Conduct at IIUI?

Assistant: Students are required to abide by the prescribed Rules and Regulations of IIUI, observe the dress code, and follow basic Islamic tenets. Failure to do so may lead to disciplinary action as per the university's regulations.

Human: What could happen if a student does not follow the dress code at IIUI?

Assistant: If a student does not follow the dress code, disciplinary action may be initiated as per the university's disciplinary regulations.

Human: How can students find out about the specific Rules and Regulations they need to follow?

Assistant: Students can find out about the specific Rules and Regulations by referring to the university's official guidelines, student handbook, or by contacting the university administration.

Human: What are the consequences of not adhering to basic Islamic tenets at IIUI?

Assistant: Not adhering to basic Islamic tenets may result in disciplinary action as per the university's disciplinary regulations.

Human: Where can students get information about the disciplinary regulations at IIUI?

Assistant: Information about the disciplinary regulations can be obtained from the university's official documents, student handbook, or by contacting the university's disciplinary committee or administration.

Human: Are students given any warnings before disciplinary action is taken?

Assistant: The specific procedures for warnings before disciplinary action are not detailed, so it is advisable for students to refer to the university's disciplinary regulations or contact the administration for more information.

Human: How often are the Code of Conduct regulations updated?

Assistant: The Code of Conduct regulations are updated from time to time as specified by the university. Students should check regularly for any updates or changes to the regulations.

Feel free to let me know if you need more questions or further details! Certainly! Here are some questions related to the general admission schedule:

Human: What is the last date for submitting the application form for the Fall Semester? ### Assistant: The last date for submitting the application form for the Fall Semester is July 29.

Human: When does the Fall Semester commence?

Assistant: The Fall Semester commences on September 01.

Human: What is the last date for submitting the application form for the Spring Semester?

Assistant: The last date for submitting the application form for the Spring Semester is December 15.

Human: When does the Spring Semester begin?

Assistant: The Spring Semester begins on February 01.

Human: How can I check if my application was submitted on time for the Fall Semester? ###
Assistant: To ensure your application was submitted on time for the Fall Semester, check the submission confirmation from the university or verify with the Admission Office before the deadline of July 29.

Human: Are there any specific requirements or documents needed by the application deadlines for each semester?

Assistant: Specific requirements or documents needed by the application deadlines should be listed in the university's admission guidelines or communicated by the Admission Office. It is best to review these details well before the deadlines.

Human: If I miss the application deadline for the Fall Semester, can I still apply for the Spring Semester?

Assistant: Yes, if you miss the application deadline for the Fall Semester, you can apply for the Spring Semester by submitting your application by the deadline of December 15.

Human: What should I do if I have not received confirmation of my application submission by the deadline?

Assistant: If you have not received confirmation of your application submission by the deadline, contact the Admission Office immediately to ensure your application was received and processed.

Feel free to ask if you need more questions or additional information!

Certainly! Here are the questions formatted in a human-assistant dialogue style:

Human: How can I apply for academic programs at IIUI?

Assistant: You can apply online through the university's application portal.

Human: I need help applying online for admission. What should I do?

Assistant: Follow these steps: First, sign up and create your profile as an applicant using the video tutorial provided. Second, submit your admission application, guided by the second video tutorial.

Human: I applied last semester but wasn't successful. Do I need to apply again?

Assistant: Yes, you need to apply again if you want to be considered for admission in the current or upcoming semester.

Human: I'm a foreign student. How do I apply to the program of my choice?

Assistant: Apply through your embassy or send your application directly to the Director (Acad) IIUI. Make sure to include your GMAT and TOEFL scores.

Human: Will my foreign degree qualify me for graduate studies at IIUI?

Assistant: The university will assess your foreign degree based on the educational system, the institution you attended, and the level of studies completed.

Human: My transcripts are not in English. Will they be accepted?

Assistant: Yes, but you need to submit them with official translations from your school or a professional service. The translations must be complete and literal.

Human: I'm a female student and don't have residence in Islamabad. Do you offer separate hostel facilities for girls?

Assistant: Yes, there are separate hostel facilities for female students. However, availability is subject to demand, so even if you are admitted, accommodation is not guaranteed.

Human: I don't have my own transport. Does the university provide transport facilities?

Assistant: Yes, the university provides transport facilities with buses running to various points in Islamabad, Rawalpindi, and nearby areas.

Human: How do I apply for undergraduate admission?

Assistant: First, understand the requirements. Second, complete and submit your application. Third, ensure all transcripts and test scores are mailed to the university office.

Human: Are male and female students studying together?

Assistant: No, male and female students study separately at IIUI.

Human: Do female students have female teachers?

Assistant: Yes, female students have female teachers, although some male teachers may also be involved.

Human: What facilities are provided in the university hostels?

Assistant: Hostels have shared rooms, almirahs, tables and chairs, and mess facilities for food.

Human: What is the last date for submitting the application form for the Fall Semester? ### Assistant: The last date for submitting the application form for the Fall Semester is July 29.

Human: When does the Fall Semester commence? ### Assistant: The Fall Semester starts on September 01.

Human: What is the deadline for submitting the application form for the Spring Semester? ### Assistant: The deadline for the Spring Semester is December 15.

Human: When does the Spring Semester begin? ### Assistant: The Spring Semester begins on February 01.

Human: What must students abide by according to the Code of Conduct at IIUI? ### Assistant: Students must follow the university's Rules and Regulations, adhere to the dress code, and observe basic Islamic tenets.

Human: What are the class timings at IIUI?

Assistant: Classes are held from 8:30 a.m. to 8:30 p.m., according to the timetable of the respective Faculty or Department.

Human: What disciplinary actions might be taken if a student does not follow the Code of Conduct?

Assistant: Disciplinary action can be initiated as per the university's regulations if the Code of Conduct is not followed.

Human: What are the contact details for male applicants at the Admissions Office?

Assistant: For male applicants, contact the Admission Office at the Student Facilitation Center, International Islamic University, Sector H-10, Islamabad, Pakistan. Phone: +92-51-9019750, 9019567, 9019583. Fax: +92-51-9257923.

Human: What are the contact details for female applicants at the Admissions Office?

Assistant: For female applicants, contact the Admission Office at the Student Facilitation Center, International Islamic University, H-10, Islamabad, Pakistan.
Phone: +92-51-9257985, 9019327, 9019324. Fax: +92-51-9257929.

Human: Can students with awaiting results apply for undergraduate programs?

Assistant: Yes, but they must submit an undertaking to provide their results. Admission may be canceled if they fail to meet the required marks or CGPA.

Human: Are applications accepted for MS, LLM, or Ph.D. programs if results are awaited?

Assistant: No, applications for MS, LLM, or Ph.D. programs will not be accepted on a result-awaited basis.

Human: What is the focus of the Faculty of Arabic (FALIC) at IIUI?

Assistant: The Faculty of Arabic focuses on teaching Arabic literature from

various regions, including the Arab World, Spain, and the Indian Subcontinent, as well as courses in Quranic language and style. It also offers modern linguistics, stylistics, and comparative literature courses.

Human: Who is the current Dean of the Faculty of Arabic?

Assistant: The current Dean is Professor Dr. Fazalullah. You can reach him at +92 51 9257933.

Human: What are the objectives of the Faculty of Arabic?

Assistant: The objectives include producing specialists in Arabic to promote the Holy Quran, creating a program for non-Arab students, and developing skills and knowledge in Arabic as reflected in the Quran and Hadith. The faculty also aims to contribute to the promotion of Arabic in Pakistan, particularly in the context of implementing Shariah.

Human: What departments are within the

Faculty of Arabic? ### Assistant: The departments

include:

- Department of Literature
- Department of Linguistics
- Department of Arabic Language Teaching Unit
- Department of Translation & Interpretation

Human: What programs are offered at the

Faculty of Arabic? ### Assistant: The faculty offers

the following programs:

- ****Undergraduate****: B.A. (Hons) Arabic, B.A. (Hons) Translation & Interpretation
- ****Post-Graduate****: Master Program, M.Phil in Arabic, M.Phil in Teaching Arabic for Non-Arabs
- ****Ph.D. Program****: Available for advanced studies

Human: Which countries do the students in the Faculty of Arabic come from?

Assistant: Students come from Pakistan as well as countries like China,

Afghanistan, Somalia, and Indonesia.

Human: Where can male and female students contact the

Faculty of Arabic? ### Assistant:

- **Male Campus**: Room# C-004, Faculty Block 1, Phone: +92 51 9257933
- **Female Campus**: Room# C-25, Faculty Block III, Phone: +92-51-9257967

Human: What is the role of Arabic language in the Faculty's curriculum?

Assistant: Arabic plays a central role in the curriculum, with a focus on various aspects of the language as reflected in the Holy Quran and Islamic tradition, as well as modern linguistic and literary studies.

Human: How does the Faculty of Arabic contribute to the implementation of Shariah in Pakistan?

Assistant: The faculty contributes by promoting the Arabic language, which is essential for understanding and implementing Shariah and Islamic laws in Pakistan.

Human: What are the benefits of joining the Faculty of Arabic at IIUI?

Assistant: Joining the Faculty of Arabic means becoming part of an academic community that values Islamic tradition and contemporary education, with opportunities to study a broad range of Arabic language and literature topics.

Feel free to ask if you need more information or additional questions!

Here are some questions based on the message from the Dean of the Faculty of Engineering & Technology (FET):

Human: What is the mission of the Faculty of Engineering & Technology (FET)?

Assistant: The mission of FET is to provide a rigorous and practical education in engineering, integrating leading-edge ideas with ethical values, social and moral training, and industrial standards. The faculty emphasizes originality, industrial projects, and a combination of research, learning, and practice.

Human: How does FET incorporate Islamic values into its programs?

Assistant: The syllabi of different degree programs at FET reflect Islamic values, and the faculty takes pride in being Muslims, which influences their approach to education.

Human: What is the current status of the BS Mechanical Engineering program at FET?

Assistant: The BS Mechanical Engineering program at FET is accredited at Level-II (OBE) by the Pakistan Engineering Council (PEC), showcasing its high standards and quality.

Human: What are some of the new programs that FET plans to introduce?

Assistant: FET plans to introduce new programs in Mechatronics, Environmental Engineering, and Biomedical Engineering in the near future.

Human: What is the philosophy behind the education provided at FET?

Assistant: The philosophy at FET is to not only produce professionals but also to build character, emphasizing both academic and personal development.

Human: How does FET support its students' growth and development?

Assistant: FET supports students through a combination of research-led teaching, practical industrial projects, and a commitment to self-evaluation, renewal, and growth of its academic programs and infrastructure.

Human: Who is the current Dean of the Faculty of Engineering & Technology?

Assistant: The current Dean is Dr. Nadeem Ahmad Sheikh. You can contact him via email at or by phone at 051-9257949, 051-9019465.

Human: How can prospective students learn more about the Faculty of Engineering & Technology?

Assistant: Prospective students are encouraged to visit the faculty to see firsthand what is offered. The Dean invites them to experience the environment and academic community at FET.

Human: What is the motto of the Faculty of Engineering & Technology?

Assistant: The motto of FET is "we do not just produce professionals, we build

character.”

Human: How is FET ranked among engineering faculties in the country?

Assistant: FET is recognized as one of the most dynamic and fastest-growing faculties in engineering sciences in the country.

Feel free to ask for more questions or details if needed!

Here are some questions based on the message from the Dean of the Faculty of Management Sciences (FMS):

Human: What is the core mission of the Faculty of Management Sciences?

Assistant: The core mission of the Faculty of Management Sciences is to provide quality education in a diversified and market-driven environment, integrating Islamic values with modern science and technology. They aim to build national character and produce graduates who are not only professionally skilled but also good human beings and responsible global citizens.

Human: How does the Faculty of Management Sciences integrate Islamic values into its programs?

Assistant: The Faculty integrates Islamic values by combining the teachings of Islam with contemporary science and technology, aiming to produce graduates who embody both professional excellence and strong Islamic principles.

Human: What programs are offered by the Faculty of Management Sciences?

Assistant: The Faculty of Management Sciences offers BBA, MBA, MS, and PhD degree programs with specializations in Management, Finance, Marketing, and Technology Management.

Human: What makes the Faculty of Management Sciences' location advantageous?

Assistant: The Faculty is located in the heart of Islamabad, surrounded by industry and a culture of academia, providing opportunities for meaningful

collaboration, sustainable relationships, and competitiveness.

Human: How does the Faculty support international students?

Assistant: The Faculty is an international venue designed to cater to students from the Islamic world, with programs that address contemporary themes such as globalization and the latest trends in Management Sciences.

Human: What resources are available to students at the Faculty of Management Sciences?

Assistant: The Faculty provides state-of-the-art resources on campus to enhance students' capabilities, along with a blend of young and experienced faculty members trained in reputable institutes globally.

Human: What is the Faculty's approach to research?

Assistant: The Faculty emphasizes creating a research environment where both faculty and students are involved in producing world-class research work.

Human: Who is the current Dean of the Faculty of Management Sciences?

Assistant: The current Dean is Dr. Abdul Raheman. You can contact him via email at or by phone at +92 51 9257950.

Human: What are the contact details for the Male and

Female Campuses? ### Assistant:

- **Male Campus:** Room # A-025, Faculty Block II, Ph: +92 51 9257928, Fax: +92 51 9257944

- **Female Campus:** Room # A-017, Faculty Block III, Ph: +92 51 9258014, Fax: +92 51 9257929

Human: What does the Faculty of Management Sciences aim to achieve with its research promotion?

Assistant: The Faculty aims to create a strong research environment by promoting world-class research work involving both teachers and students.

Feel free to ask for more questions or additional details if needed!

Here are some questions based on the Dean's message for the Faculty of Shari'ah & Law:

Human: What degree programs are offered by the Faculty of Shari'ah & Law? ### Assistant: The Faculty offers a range of degree programs including:

- PhD in Law
- PhD in Shari`ah (Islamic Law & Jurisprudence)
- PhD in Islamic Banking & Finance
- LLM in Corporate Law
- LLM in International Law
- LLM in International Trade Law
- LLM in Human Rights Law
- LLM/MS in Shari`ah & Law
- LLM/MS in Shari`ah (Islamic Law & Jurisprudence)
- LLM/MS in Shari`ah (Islamic Commercial Law)
- LLM/MS in Shari`ah (Muslim Family Law)
- BA/LLB (Hons) in Shari`ah & Law

Human: What makes the Faculty of Shari`ah & Law unique among law faculties in South Asia?

Assistant: The Faculty of Shari`ah & Law is unique due to its high number of academicians with PhDs in various fields of Shari`ah & Law, with most holding doctorates from leading global universities. It offers quality education in Law, Shari`ah, Jurisprudence, and Fiqh under the guidance of highly qualified and dynamic scholars.

Human: Who is the current Dean of the Faculty of Shari`ah & Law?

Assistant: The current Dean of the Faculty of Shari`ah & Law is Professor Dr. Attaullah. You can contact him at +92-51-9258039 or via email at .

Human: What departments are present in the Faculty of

Shari`ah & Law? ### Assistant: The Faculty includes the

following departments:

- Department of Law
- Department of Shari`ah

Human: What are the contact details for the Male and Female Campuses of the Faculty of Shari`ah & Law?

Assistant:

- **Male Campus:** Room A-007, Imam Abu Hanifa Block, Phone: +92-51-9258039, Fax: +92-51- 9258021
- **Female Campus:** Room A-002, Phone: +92-51-9257981, Fax: +92-51-9257929

Human: How does the Faculty of Shari`ah & Law ensure a high quality academic environment?

Assistant: The Faculty ensures a high-quality academic environment by employing well-qualified, dynamic, and research-oriented scholars from various parts of the world, and by maintaining a strong faculty with 36 academicians holding PhDs in diverse fields of Shari`ah & Law.

Feel free to request more questions or additional details!

Here are some questions based on the Dean's message for the Faculty of Social Sciences:

Human: What is the interdisciplinary approach emphasized at the Faculty of Social Sciences (FSS)?

Assistant: The interdisciplinary approach at FSS involves collaboration between different disciplines to address real-world problems. For example, psychologists might work with teacher educators, and historians might collaborate with political scientists, integrating diverse perspectives to tackle complex issues.

Human: What skills and knowledge will students gain upon graduating from FSS?

Assistant: Graduates from FSS will acquire the ability to think critically and argue persuasively, gain job-related skills in research methods, data analysis, and interpretation, and understand how various phenomena (cultural, economic, political, psychological, and social) influence human behavior. They will be prepared to contribute to shaping society through their careers and personal choices.

Human: What degree programs are offered by the Faculty of

Social Sciences? ### Assistant: The Faculty offers a range of

degree programs including:

- Anthropology

- Education
- History and Pakistan Studies
- Political Science and International Relations
- Psychology
- Sociology
- Islamic Arts and Architecture
- Media and Communication Studies

Human: How many students and faculty members are part of the Faculty of Social Sciences? ### Assistant: The Faculty of Social Sciences has 2,500 students and 90 permanent faculty members.

Human: How does FSS support outstanding students?

Assistant: FSS offers scholarships to three outstanding students from each program every semester.

Human: What are the contact details for the Dean of the Faculty of Social Sciences?

Assistant: The Dean of the Faculty of Social Sciences is Professor Dr. Muhammad Zafar Iqbal. You can contact him at:

- Phone: (+92) 051 – 9257961, (+92) 051 – 9019646, (+92) 051 – 9019475, Ext. 2646, 2475
- Fax: (+92) 051 – 9258004
- Email:
- Room No. A-202, Faculty Block-I

Human: How many departments are in the male and female campuses of FSS?

Assistant: FSS has 8 departments on the male campus and 8 departments on the female campus.

Human: What kind of faculty does FSS have?

Assistant: The Faculty of Social Sciences includes internationally reputed scholars, many of whom hold Ph.D. degrees, ensuring a high-quality academic environment.

Let me know if you need more details or additional questions!

Here are some questions based on the Dean's message for the Faculty of Usuluddin (Islamic Studies):

Human: What distinguishes the Faculty of Usuluddin (Islamic Studies) at IIUI?

Assistant: The Faculty of Usuluddin is distinguished by its international and Islamic attributes, with faculty members from various Arab and non-Arab countries holding advanced degrees from leading Islamic and Western universities. It offers instruction in both Arabic and English to provide students with first-hand knowledge of Islamic and contemporary subjects.

Human: What specializations are currently available at the

Faculty of Usuluddin? ### Assistant: The Faculty offers

specializations in the following areas:

- Tafseer and Qur'anic Sciences
- Hadith and its Sciences
- Aqeedah and Philosophy
- Seerah and Islamic History
- Comparative Religion
- Da'wah and Islamic Culture

Human: What advanced degree programs are offered by the Faculty of Usuluddin? ### Assistant: The Faculty offers doctoral programs in:

- Tafseer and Qur'anic Sciences
- Hadith and its Sciences
- Comparative Religion

Human: What are the main objectives of the Faculty of Usuluddin? ### Assistant: The main objectives of the Faculty are to:

1. Produce competent scholars knowledgeable in basic Islamic disciplines to guide the Muslim Ummah according to Islamic teachings.
2. Develop scholars with a clear understanding of contemporary Muslim society and the threats it faces, and who can effectively address these challenges.
3. Train students in modern methods and techniques of Da'wah and the use of audio-visual equipment for effective Islamic education.
4. Educate students about contemporary ideologies and philosophies that threaten Islamic communities and train them to counteract these influences.
5. Familiarize students with modern sociological and psychological theories to understand mass psychology and socio-economic environments.

Human: What collaborations does the Faculty of Usuluddin have with other institutions? ### Assistant: The Faculty collaborates with:

- Islamic Research Institute
- Iqbal International Institute for Research and Dialogue
- Dawah Academy

Human: What are the contact details for the Faculty of Usuluddin? ### Assistant:

- **Male Campus:** Room
B-024, Faculty Block I Phone: 92 51
925 7932, 901 9642

- **Female
Campus:** Room B-005

Phone: 92 51 925 7966

Fax: 92 51 925 7929

Human: What languages are used for instruction in the Faculty of Usuluddin?

Assistant: Instruction at the Faculty is provided in both Arabic and English. Arabic is used for courses related to Islam to ensure students study from original sources, while English is used for contemporary human thought courses.

Human: What is the future plan for the Faculty of Usuluddin in terms of new programs? ### Assistant: The Faculty is working on starting new programs, which will be introduced soon.

Let me know if you need more questions or additional details!

Here are some questions in the human and assistant format based on the provided fee structure information:

Human: What are the components of the refundable securities in the fee structure?

Assistant: The components of the refundable securities in the fee structure include Library Security, Book Bank Security, and Caution Money.

Human: What are the components included in the total fee for a degree program?

****Assistant:**** The total fee for a degree program includes the Admission Fee, University Dues, Library Security, Book Bank Security, and Caution Money.

****Human:**** How is the total fee for a degree program calculated?

****Assistant:**** The total fee for a degree program is calculated by summing up the Admission Fee, University Dues, Library Security, Book Bank Security, and Caution Money.

****Human:**** What is the purpose of the Library Security fee?

****Assistant:**** The Library Security fee is a refundable amount charged to ensure that students return borrowed library materials and follow library policies.

****Human:**** Are hostel dues included in the total fee for the degree program?

****Assistant:**** No, hostel dues are not included in the total fee for the degree program. They are charged separately on a per-month basis, along with a one-time Hostel Security fee.

****Human:**** What is the difference between Book Bank Security and Library Security?

****Assistant:**** Book Bank Security is a refundable fee specific to the book bank services, while Library Security is a refundable fee related to general library usage. Both are charged to ensure the return of borrowed materials.

****Human:**** How is the Hostel Security fee different from Hostel Dues?

****Assistant:**** The Hostel Security fee is a one-time refundable deposit charged to cover any damages or unpaid dues, while Hostel Dues are recurring monthly charges for staying in the hostel.

****Human:**** Why is the Caution Money included in the fee structure?

****Assistant:**** Caution Money is included in the fee structure as a refundable deposit to cover any unforeseen damages or unpaid dues related to university facilities.

These questions cover various aspects of the fee structure, focusing on different components and their purposes. Let me know if you'd like more questions or have other specific aspects you'd like to explore!

Here are some questions in the human and assistant format based on the provided fee structure for the Faculty of Arabic:

****Human:**** What is the total fee for the PhD in Arabic Literature & Linguistics program?

****Assistant:**** The total fee for the PhD in Arabic Literature & Linguistics program is 43,615.

****Human:**** How long is the BS Arabic program, and what is the total fee?

****Assistant:**** The BS Arabic program is 4 years long, and the total fee is 35,700.

****Human:**** What is the difference in the total fee between the MA Arabic and MS Arabic Literature & Linguistics programs?

****Assistant:**** The total fee for the MA Arabic program is 38,700, while the MS Arabic Literature & Linguistics program has a total fee of 43,615. The difference is 4,915.

****Human:**** What is the monthly hostel due for a student enrolled in the MS Teaching of Arabic to Non- Arabs program?

****Assistant:**** The monthly hostel due for a student enrolled in the MS Teaching of Arabic to Non-Arabs program is 5,800.

****Human:**** Which program has the highest university dues, and how much are they?

****Assistant:**** The programs PhD in Arabic Literature & Linguistics, MS Arabic Literature & Linguistics, and MS Teaching of Arabic to Non-Arabs all have the highest university dues, which are 35,615.

****Human:**** What is the duration and total fee for the MA Arabic program?

****Assistant:**** The MA Arabic program has a duration of 2 years, and the total fee is 38,700.

****Human:**** How much is the hostel security fee for each program, and is it the same for all programs?

****Assistant:**** The hostel security fee is 7,000 for each program, and it is the same for all programs listed.

****Human:**** Are the admission fees the same for all programs in the Faculty of Arabic?

****Assistant:**** Yes, the admission fee is 1,000 for all programs in the Faculty of Arabic.

****Human:**** How does the hostel due per month compare between the BS Arabic and PhD Arabic Literature & Linguistics programs?

****Assistant:**** The hostel due per month for the BS Arabic program is 4,600, while for the PhD Arabic Literature & Linguistics program, it is 6,900.

These questions help explore the details of the fee structure for various programs in the Faculty of Arabic. Let me know if you need more questions or further assistance!

Here are some questions in the human and assistant format based on the provided fee structure for the Department of Translation & Interpretation:

****Human:**** What is the total fee for the BS in Translation & Interpretation program?

****Assistant:**** The total fee for the BS in Translation & Interpretation program is 59,200.

****Human:**** How long is the MS Translation Studies program, and what is its total fee?

****Assistant:**** The MS Translation Studies program is 2 years long, and its total fee is 78,770.

****Human:**** What is the difference in the total fee between the BS in Translation & Interpretation and the MS Translation Studies programs?

****Assistant:**** The total fee for the BS in Translation & Interpretation program is 59,200, while the MS Translation Studies program has a total fee of 78,770. The difference is 19,570.

****Human:**** What is the monthly hostel due for a student enrolled in the BS in Translation & Interpretation program?

****Assistant:**** The monthly hostel due for a student enrolled in the BS in Translation & Interpretation program is 4,600.

****Human:**** How much is the university dues for the MS Translation Studies program?

****Assistant:**** The university dues for the MS Translation Studies program are 69,770.

****Human:**** Are the admission fees the same for both programs in the Department of Translation & Interpretation?

****Assistant:**** No, the admission fee for the BS in Translation & Interpretation program is 1,000, while the admission fee for the MS Translation Studies program is 2,000.

****Human:**** What is the duration and total fee for the BS in Translation & Interpretation program?

****Assistant:**** The BS in Translation & Interpretation program has a duration of 4 years, and the total fee is 59,200.

****Human:**** How does the hostel due per month compare between the BS in Translation & Interpretation and the MS Translation Studies programs?

****Assistant:**** The hostel due per month for the BS in Translation & Interpretation program is 4,600, while for the MS Translation Studies program,

it is 5,800.

****Human:**** What is the hostel security fee for the programs in the Department of Translation & Interpretation, and is it the same for both programs?

****Assistant:**** The hostel security fee is 7,000 for both the BS in Translation & Interpretation and the MS Translation Studies programs.

These questions focus on the specifics of the fee structure for the Department of Translation & Interpretation, highlighting the differences and similarities between the programs. Let me know if there's anything else you'd like to know!

Here are some questions and answers with the contact details and fee structure information formatted with ### tags:

Human: What is the total fee for the PhD Software Engineering program?

Assistant: The total fee for the PhD Software Engineering program is 87,180.

Human: How long is the PhD Software Engineering program?

Assistant: The PhD Software Engineering program is 3 years long.

Human: What is the admission fee for the PhD Software Engineering program?

Assistant: The admission fee for the PhD Software Engineering program is 7,000.

Human: How much are the university dues for the PhD Software Engineering program?

Assistant: The university dues for the PhD Software Engineering program are 73,180.

Human: What is the monthly hostel due for a student enrolled in the PhD Software Engineering program?

Assistant: The monthly hostel due for a student enrolled in the PhD Software Engineering program is 6,900.

Human: How much is the hostel security fee for the PhD Software Engineering program?

Assistant: The hostel security fee for the PhD Software Engineering program is 7,000.

Human: How does the hostel due per month for the PhD Software Engineering program compare to other programs?

Assistant: The hostel due per month for the PhD Software Engineering program is 6,900, which is higher than the monthly hostel dues for programs like the BS in Translation & Interpretation (4,600) but similar to those for the PhD in Arabic Literature & Linguistics (6,900).

Human: What are the components included in the total fee for the PhD Software Engineering program?

Assistant: The total fee for the PhD Software Engineering program includes the Admission Fee, University Dues, and other refundable securities such as Library Security.

These examples include questions and answers using the ### tag format, focusing on the fee structure and details of the PhD Software Engineering program. Let me know if there's anything else you need!

Here are some questions in the human and assistant format using ### tags based on the fee structure for the Faculty of Sciences, Department of Mathematics and Statistics:

Human: What is the total fee for the BS Mathematics program?

Assistant: The total fee for the BS Mathematics program is 62,700.

Human: How long is the MSc Mathematics program, and what is its total fee?

Assistant: The MSc Mathematics program is 2 years long, and its total fee is 64,500.

Human: What is the difference in the total fee between the MS Mathematics and PhD Mathematics programs?

Assistant: The total fee for the MS Mathematics program is 60,120, while the PhD Mathematics program has a total fee of 87,180. The difference is 27,060.

Human: What are the university dues for the BS Statistics program?

Assistant: The university dues for the BS Statistics program are 48,700.

Human: How much is the hostel due per month for a student enrolled in the MSc Statistics program?

Assistant: The monthly hostel due for a student enrolled in the MSc Statistics program is 4,600.

Human: What is the admission fee for the MS Statistics program?

Assistant: The admission fee for the MS Statistics program is 7,000.

Human: How does the total fee for the BS Statistics program compare to the BS Mathematics program?

Assistant: The total fee for both the BS Statistics program and the BS Mathematics program is the same, at 62,700.

Human: What is the total fee for the PhD Statistics program?

Assistant: The total fee for the PhD Statistics program is 87,180.

Human: How much is the hostel security fee for the programs in the Department of Mathematics and Statistics?

Assistant: The hostel security fee is 7,000 for all programs in the Department of Mathematics and Statistics.

Human: What are the components included in the total fee for the MSc Mathematics program?

Assistant: The total fee for the MSc Mathematics program includes the Admission Fee, University Dues, and other refundable securities such as Library Security.

These questions cover various aspects of the fee structure for programs in the Department of Mathematics and Statistics, focusing on costs, program duration, and fee components. Let me know if you need more questions or further assistance!

Here are some questions and answers formatted with ### tags based on the fee structure for the Department of Physics:

Human: What is the total fee for the BS Physics program?

Assistant: The total fee for the BS Physics program is 84,300.

Human: How long is the MSc Physics program, and what is its total fee?

Assistant: The MSc Physics program is 2 years long, and its total fee is 89,700.

Human: What is the difference in the total fee between the MS Physics and PhD Physics programs?

Assistant: The total fee for the MS Physics program is 77,280, while the PhD Physics program has a total fee of 82,230. The difference is 4,950.

Human: What are the university dues for the MSc Physics program?

Assistant: The university dues for the MSc Physics program are 75,700.

Human: How much is the hostel due per month for a student enrolled in the PhD Physics program?

Assistant: The monthly hostel due for a student enrolled in the PhD Physics program is 6,900.

Human: What is the admission fee for the MS Physics program?

Assistant: The admission fee for the MS Physics program is 7,000.

Human: How does the total fee for the MSc Physics program compare to the BS Physics program?

Assistant: The total fee for the MSc Physics program is 89,700, which is 5,400 more than the total fee for the BS Physics program, which is 84,300.

Human: What is the total fee for the PhD Physics program?

Assistant: The total fee for the PhD Physics program is 82,230.

Human: How much is the hostel security fee for the programs in the Department of Physics?

Assistant: The hostel security fee is 7,000 for all programs in the Department of Physics.

Human: What are the components included in the total fee for the MSc Physics program?

Assistant: The total fee for the MSc Physics program includes the Admission Fee, University Dues, and other refundable securities such as Library Security.

These questions cover various aspects of the fee structure for programs in the Department of Physics, focusing on costs, program duration, and fee components. Let me know if you need more questions or further assistance!

Here are some questions and answers formatted with ### tags based on the fee structure for the Department of Environmental Sciences:

Human: What is the total fee for the BS Environmental Sciences program?

Assistant: The total fee for the BS Environmental Sciences program is 89,700.

Human: How long is the MS Environmental Science program, and what is its total fee?

Assistant: The MS Environmental Science program is 2 years long, and its total fee is 80,580.

Human: What is the difference in the total fee between the MS Environmental Science and PhD Environmental Science programs?

Assistant: The total fee for the MS Environmental Science program is 80,580, while the PhD Environmental Science program has a total fee of 87,180. The difference is 6,600.

Human: What are the university dues for the BS Environmental Sciences program?

Assistant: The university dues for the BS Environmental Sciences program are 75,700.

Human: How much is the hostel due per month for a student enrolled in the PhD Environmental Science program?

Assistant: The monthly hostel due for a student enrolled in the PhD Environmental Science program is 6,900.

Human: What is the admission fee for the MS Environmental Science program?

Assistant: The admission fee for the MS Environmental Science program is 7,000.

Human: How does the total fee for the PhD Environmental Science program compare to the BS Environmental Sciences program?

Assistant: The total fee for the PhD Environmental Science program is 87,180, which is 2,520 less than the total fee for the BS Environmental Sciences program, which is 89,700.

Human: What is the total fee for the PhD Environmental Science program?

Assistant: The total fee for the PhD Environmental Science program is 87,180.

Human: How much is the hostel security fee for the programs in the Department of Environmental Sciences?

Assistant: The hostel security fee is 7,000 for all programs in the Department of Environmental Sciences.

Human: What are the components included in the total fee for the MS Environmental Science program?

Assistant: The total fee for the MS Environmental Science program includes the Admission Fee, University Dues, and other refundable securities such as Library Security.

These questions cover various aspects of the fee structure for programs in the Department of Environmental Sciences, focusing on costs, program duration, and fee components. Let me know if you need more questions or further assistance!

Here are some questions and answers formatted with ### tags based on the fee structure for the Department of Biological Sciences and the SA Centre for Interdisciplinary Research in Basic Sciences:

Human: What is the total fee for the BS Bio-Technology program?

Assistant: The total fee for the BS Bio-Technology program is 101,400.

Human: How long is the MS Bio-Technology program, and what is its total fee?

Assistant: The MS Bio-Technology program is 2 years long, and its total fee is 87,180.

Human: What is the difference in the total fee between the MS Biosciences and PhD Bio-Technology programs?

Assistant: The total fee for the MS Biosciences program is 80,580, while the PhD Bio-Technology program has a total fee of 87,180. The difference is 6,600.

Human: What are the university dues for the BS Biology program?

Assistant: The university dues for the BS Biology program are 87,400.

Human: How much is the hostel due per month for a student enrolled in the PhD Environmental Sciences (SA-CIRBS) program?

Assistant: The monthly hostel due for a student enrolled in the PhD Environmental Sciences (SA- CIRBS) program is 6,900.

Human: What is the admission fee for the MS Nanoscience and Engineering program?

Assistant: The admission fee for the MS Nanoscience and Engineering program is 10,000.

Human: How does the total fee for the PhD Chemistry program compare to the MS Chemistry program?

Assistant: The total fee for the PhD Chemistry program is 87,180, which is 6,600 more than the total fee for the MS Chemistry program, which is 80,580.

Human: What is the total fee for the PhD Bio Sciences program?

Assistant: The total fee for the PhD Bio Sciences program is 87,180.

Human: How much is the hostel security fee for the programs in the Department of Biological Sciences and the SA Centre for Interdisciplinary Research in Basic Sciences?

Assistant: The hostel security fee is 7,000 for all programs in the Department of Biological Sciences and the SA Centre for Interdisciplinary Research in Basic Sciences.

Human: What are the components included in the total fee for the PhD Nanoscience and Engineering program?

Assistant: The total fee for the PhD Nanoscience and Engineering program includes the Admission Fee, University Dues, and other refundable securities such as Library Security.

Human: What is the total fee for the MS Environmental Sciences (SA-CIRBS) program?

Assistant: The total fee for the MS Environmental Sciences (SA-CIRBS) program is 80,580.

Human: How much are the university dues for the PhD Nanoscience and

Engineering program?

Assistant: The university dues for the PhD Nanoscience and Engineering program are 72,100.

These questions cover various aspects of the fee structure for programs in the Department of Biological Sciences and the SA Centre for Interdisciplinary Research in Basic Sciences, focusing on costs, program duration, and fee components. Let me know if you need more questions or further assistance!

Here are some questions and answers formatted with ### tags based on the fee structure for the Faculty of Engineering & Technology:

Human: What is the total fee for the BS Electrical Engineering program?

Assistant: The total fee for the BS Electrical Engineering program is 114,900.

Human: How long is the MS Electrical Engineering program, and what is its total fee?

Assistant: The MS Electrical Engineering program is 2 years long, and its total fee is 77,280.

Human: What is the difference in the total fee between the PhD Mechanical Engineering and MS Mechanical Engineering programs?

Assistant: The total fee for the PhD Mechanical Engineering program is 82,230, while the MS Mechanical Engineering program has a total fee of 77,280.

The difference is 4,950.

Human: What are the university dues for the BS Computer Engineering program?

Assistant: The university dues for the BS Computer Engineering program are 100,900.

Human: How much is the hostel due per month for a student enrolled in the PhD Biomedical Engineering program?

Assistant: The monthly hostel due for a student enrolled in the PhD Biomedical Engineering program is 6,900.

Human: What is the admission fee for the MS Energy Systems Engineering program?

Assistant: The admission fee for the MS Energy Systems Engineering program is 7,000.

Human: How does the total fee for the PhD Engineering Management program compare to the MS Engineering Management program?

Assistant: The total fee for the PhD Engineering Management program is 82,230, which is 4,950 more than the total fee for the MS Engineering Management program, which is 77,280.

Human: What is the total fee for the BS Civil Engineering program?

Assistant: The total fee for the BS Civil Engineering program is 131,800.

Human: How much is the hostel security fee for the programs in the Faculty of Engineering & Technology?

Assistant: The hostel security fee is 7,000 for all programs in the Faculty of Engineering & Technology.

Human: What are the components included in the total fee for the BSc Computer Engineering Technology program?

Assistant: The total fee for the BSc Computer Engineering Technology program includes the Admission Fee, University Dues, and other refundable securities such as Library Security.

Human: What is the total fee for the MS Civil Engineering program?

Assistant: The total fee for the MS Civil Engineering program is 77,280.

Human: How much are the university dues for the BSc Civil Engineering

Technology program?

Assistant: The university dues for the BSc Civil Engineering Technology program are 70,800.

These questions cover various aspects of the fee structure for programs in the Faculty of Engineering & Technology, focusing on costs, program duration, and fee components. Let me know if you need more questions or further assistance!

Here are some questions and answers formatted with ### tags based on the fee structure for the Faculty of Usuluddin (Islamic Studies):

Human: What is the total fee for the BS Usuluddin (Islamic Studies) program?

Assistant: The total fee for the BS Usuluddin (Islamic Studies) program is 35,700.

Human: How long is the MA Usuluddin (Islamic Studies) program, and what is its total fee?

Assistant: The MA Usuluddin (Islamic Studies) program is 2 years long, and its total fee is 38,700.

Human: What are the specializations available for the MS Usuluddin (Islamic Studies) program?

Assistant: The specializations available for the MS Usuluddin (Islamic Studies) program are:

- 1.Hadith & Its Sciences
- 2.Comparative Religion
- 3.Aqeedah & Philosophy
- 4.Dawah & Islamic Culture

Human: How does the total fee for the PhD Usuluddin (Islamic Studies) compare to the MS Usuluddin (Islamic Studies)?

Assistant: The total fee for both the PhD Usuluddin (Islamic Studies) and the MS Usuluddin (Islamic Studies) is the same, at 43,615.

Human: What is the admission fee for the MA Usuluddin (Islamic Studies) program?

Assistant: The admission fee for the MA Usuluddin (Islamic Studies) program is 1,000.

Human: How much is the hostel due per month for a student enrolled in the BS Usuluddin (Islamic Studies) program?

Assistant: The monthly hostel due for a student enrolled in the BS Usuluddin (Islamic Studies) program is 4,600.

Human: What is the library security fee for programs in the Faculty of Usuluddin (Islamic Studies)?

Assistant: The library security fee for programs in the Faculty of Usuluddin (Islamic Studies) is 7,000.

Human: How much are the university dues for the PhD Usuluddin (Islamic Studies) program?

Assistant: The university dues for the PhD Usuluddin (Islamic Studies) program are 35,615.

Human: What is the duration of the PhD Usuluddin (Islamic Studies) program?

Assistant: The PhD Usuluddin (Islamic Studies) program is 3 years long.

Human: What are the specializations available for the PhD Usuluddin (Islamic Studies) program?

Assistant: The specializations available for the PhD Usuluddin (Islamic Studies) program are:

- 1.Hadith & Its Sciences
- 2.Comparative Religion
- 3.Aqeedah & Philosophy

Human: What is the total fee for the MS Usuluddin (Islamic Studies) program?

Assistant: The total fee for the MS Usuluddin (Islamic Studies) program is 43,615.

Human: How much are the hostel security fees for the programs in the Faculty of Usuluddin (Islamic Studies)?

Assistant: The hostel security fee is 7,000 for all programs in the Faculty of Usuluddin (Islamic Studies).

These questions cover various aspects of the fee structure for programs in the Faculty of Usuluddin (Islamic Studies), focusing on costs, program duration, and specializations. Let me know if you need more questions or further assistance!

Here are some questions and answers based on the fee structure for the Faculty of Languages Literature, Department of English, formatted with ### tags:

Human: What is the total fee for the BS English program?

Assistant: The total fee for the BS English program is 57,700.

Human: How long is the MA English program, and what is its total fee?

Assistant: The MA English program is 2 years long, and its total fee is 60,500.

Human: What is the admission fee for the MS English program?

Assistant: The admission fee for the MS English program is 4,000.

Human: How much are the university dues for the PhD English program?

Assistant: The university dues for the PhD English program are 60,310.

Human: What is the total fee for the MS English program?

Assistant: The total fee for the MS English program is 77,580.

Human: How much is the hostel due per month for a student enrolled in the MA English program?

Assistant: The monthly hostel due for a student enrolled in the MA English program is 4,600.

Human: How much is the library security fee for the PhD English program?

Assistant: The library security fee for the PhD English program is 7,000.

Human: How does the total fee for the BS English compare to the MA English program?

Assistant: The total fee for the BS English program is 57,700, while the total fee for the MA English program is 60,500.

Human: What is the duration of the PhD English program?

Assistant: The PhD English program is 3 years long.

Human: How much is the hostel security fee for all programs in the Department of English?

Assistant: The hostel security fee for all programs in the Department of English is 7,000.

Human: What is the total fee for the PhD English program?

Assistant: The total fee for the PhD English program is 71,310.

Human: How much is the admission fee for the BS English program?

Assistant: The admission fee for the BS English program is 2,000.

These questions focus on various aspects of the fee structure, including costs, program duration, and differences between programs within the Department of English. If you need more questions or have any other requests, feel free to ask!

Here are some questions and answers based on the fee structure for the Department of Urdu, formatted with ### tags:

Human: What is the total fee for the BS Urdu program?

Assistant: The total fee for the BS Urdu program is 35,700.

Human: How long is the MA Urdu program, and what is its total fee?

Assistant: The MA Urdu program is 2 years long, and its total fee is 38,700.

Human: What is the admission fee for the PhD Urdu program?

Assistant: The admission fee for the PhD Urdu program is 1,000.

Human: How much are the university dues for the MS Urdu program?

Assistant: The university dues for the MS Urdu program are 35,615.

Human: What is the total fee for the PhD Urdu program?

Assistant: The total fee for the PhD Urdu program is 43,615.

Human: How much is the hostel due per month for a student enrolled in the BS Urdu program?

Assistant: The monthly hostel due for a student enrolled in the BS Urdu program is 4,600.

Human: How much is the library security fee for the MA Urdu program?

Assistant: The library security fee for the MA Urdu program is 7,000.

Human: How does the total fee for the MS Urdu compare to the MA Urdu program?

Assistant: The total fee for the MS Urdu program is 43,615, while the total fee for the MA Urdu program is 38,700.

Human: What is the duration of the PhD Urdu program?

Assistant: The PhD Urdu program is 3 years long.

Human: How much is the hostel security fee for all programs in the Department of Urdu?

Assistant: The hostel security fee for all programs in the Department of Urdu is 7,000.

Human: What is the total fee for the MA Urdu program?

Assistant: The total fee for the MA Urdu program is 38,700.

Human: How much is the admission fee for the MS Urdu program?

Assistant: The admission fee for the MS Urdu program is 1,000.

These questions cover various aspects of the fee structure, including costs, program duration, and differences between programs within the Department of Urdu. If you need more questions or have any other requests, feel free to ask!

Here are some questions and answers based on the fee structure for the Department of Persian, formatted with ### tags:

Human: What is the total fee for the MA Persian (Language & Literature) program?

Assistant: The total fee for the MA Persian (Language & Literature) program is 38,700.

Human: How long is the BS Persian (Language & Literature) program, and what is its total fee?

Assistant: The BS Persian (Language & Literature) program is 4 years long, and its total fee is 35,700.

Human: What is the admission fee for the MS Persian (Language & Literature) program?

Assistant: The admission fee for the MS Persian (Language & Literature) program is 1,000.

Human: How much is the admission fee for the PhD Shariah (Islamic Law & Jurisprudence) program?

Assistant: The admission fee for the PhD Shariah (Islamic Law & Jurisprudence) program is 1,000.

Human: How long is the LLM Human Rights Law program, and what is its total fee?

Assistant: The LLM Human Rights Law program is 2 years long, and its total fee is 97,020.

Human: What are the university dues for the MS Shariah (Islamic Commercial Law) program?

Assistant: The university dues for the MS Shariah (Islamic Commercial Law) program are 35,615.

Human: How much is the total fee for the LLM International Trade Law program, including the hostel fee?

Assistant: The total fee for the LLM International Trade Law program, including the hostel fee, is 97,020.

Human: How much is the hostel fee for the PhD Law program?

Assistant: The hostel fee for the PhD Law program is 6,900.

Human: What is the total fee for the LLM Corporate Law program?

Assistant: The total fee for the LLM Corporate Law program is 97,020.

Human: How much is the admission fee for the LLB program?

Assistant: The admission fee for the LLB program is 7,000.

Human: What is the duration and total fee for the LLB program?

Assistant: The LLB program is 5 years long, and its total fee is 100,700.

These questions cover various aspects of the programs listed in the Faculty of Shariah and Law. Let me know if you need more questions or further assistance!

Here are some questions and answers based on the fee structure for the Faculty of Computing & Information Technology:

Human: What is the total fee for the PhD Computer Science program?

Assistant: The total fee for the PhD Computer Science 3-year program is 87,180.

Human: How much is the admission fee for the MS Software Engineering program?

Assistant: The admission fee for the MS Software Engineering program is 7,000.

Human: What are the university dues for the BS Bioinformatics program?

Assistant: The university dues for the BS Bioinformatics program are 87,400.

Human: How long is the MS Bio-Informatics program, and what is its total fee?

Assistant: The MS Bio-Informatics program is 2 years long, and its total fee is 87,180.

Human: How much is the hostel fee for the MS Computer Science program?

Assistant: The hostel fee for the MS Computer Science program is 5,800.

Human: What is the total fee for the BS Computer Science program?

Assistant: The total fee for the BS Computer Science 4-year program is 89,700.

Human: How does the total fee for the BS Software Engineering program compare to the BS Information Technology program?

Assistant: The total fee for both the BS Software Engineering and BS Information Technology programs is 89,700.

Human: What are the university dues for the MS Data Science program?

Assistant: The university dues for the MS Data Science program are 83,740.

Human: How much is the admission fee for the BS Information Technology program?

Assistant: The admission fee for the BS Information Technology program is 7,000.

Human: What is the total fee for the MS Software Engineering program, including the library security fee?

Assistant: The total fee for the MS Software Engineering program, including the library security fee, is 97,740.

Human: How much is the library security fee for the PhD Computer Science program?

Assistant: The library security fee for the PhD Computer Science program is 7,000.

Human: What is the duration and total fee for the MS Data Science program?

Assistant: The MS Data Science program is 2 years long, and its total fee is 97,740.

These questions cover various aspects of the programs listed in the Faculty of Computing & Information Technology. Let me know if you need more questions or further assistance!

Here are some questions and answers based on the fee structure for the Faculty of Education:

Human: What is the total fee for the MS Education (Educational Leadership & Management) program?

Assistant: The total fee for the MS Education (Educational Leadership & Management) 2-year program is 61,720.

Human: How much is the library security fee for the PhD Education program?

Assistant: The library security fee for the PhD Education program is 7,000.

Human: What are the university dues for the B.Ed (Hons) Elementary Education program?

Assistant: The university dues for the B.Ed (Hons) Elementary Education program are 52,300.

Human: What is the hostel fee for the MS Teacher Education program?

Assistant: The hostel fee for the MS Teacher Education program is 5,800.

Human: How long is the B.Ed (Elementary) program, and what is its total fee?

Assistant: The B.Ed (Elementary) program is 2.5 years long, and its total fee is 61,300.

Human: How much is the admission fee for the BS in Education (English Language Teaching) program?

Assistant: The admission fee for the BS in Education (English Language Teaching) program is 1,000.

Human: What is the total fee for the B.Ed (Secondary) program, including the hostel fee?

Assistant: The total fee for the B.Ed (Secondary) program, including the hostel fee, is 61,300.

Human: How does the total fee for the M.Ed program compare to the MS Teacher Education program?

Assistant: The total fee for the M.Ed program is 61,300, which is less than the total fee for the MS Teacher Education program, which is 61,720.

Human: How much are the university dues for the PhD Education program?

Assistant: The university dues for the PhD Education program are 60,310.

Human: What is the duration and total fee for the BS in Education (Educational Leadership and Management) program?

Assistant: The BS in Education (Educational Leadership and Management) program is 4 years long, and its total fee is 56,700.

Human: How much is the hostel fee for the B.Ed (Hons) Elementary Education program?

Assistant: The hostel fee for the B.Ed (Hons) Elementary Education program is 4,600.

Human: What is the total fee for the MS Teacher Education program, including the library security fee?

Assistant: The total fee for the MS Teacher Education program, including the library security fee, is 61,720.

Human: What is the total fee for the BS in Education (English Language Teaching) program?

Assistant: The total fee for the BS in Education (English Language Teaching) program is 56,700.

Human: How much is the admission fee for the B.Ed (Elementary) program?

Assistant: The admission fee for the B.Ed (Elementary) program is 2,000.

Human: What is the duration and total fee for the B.Ed (Hons) Elementary

Education program?

Assistant: The B.Ed (Hons) Elementary Education program is 4 years long, and its total fee is 61,300.

These questions cover various aspects of the programs listed in the Faculty of Education. Let me know if you need more questions or further assistance!

Here are some questions and answers based on the contact information provided for admissions:

Human: What is the email address for male admissions inquiries?

Assistant: The email address for male admissions inquiries is .

Human: Which phone number can overseas students use for admissions inquiries?

Assistant: Overseas students can use the phone number +92-51-9019565 for admissions inquiries.

Human: How can female students contact the admissions office via email?

Assistant: Female students can contact the admissions office via email at .

Human: What is the phone number for fee-related queries?

Assistant: For fee-related queries, you can email .

Human: How many phone numbers are available for female admissions inquiries?

Assistant: There are five phone numbers available for female admissions inquiries: +92-51-9257985, +92-51-9019327, +92-51-9019324, +92-51-9019871, and +92-51-9019854.

Human: What is the phone number for reporting an issue related to admissions?

Assistant: To report an issue related to admissions, you can contact the admissions office through the general contact methods provided, such as the email addresses or phone numbers specific to your inquiry type.

Human: How can male students contact the admissions office via phone?

Assistant: Male students can contact the admissions office via phone at +92-51-9019583, +92-51- 9019750, or +92-51-9019567.

Human: What is the phone number for female admissions inquiries that is different from the rest?

Assistant: The phone number for female admissions inquiries that is different from the rest is +92- 51-9257929.

Human: How can someone contact the admissions office for frequently asked questions (FAQs)?

Assistant: For frequently asked questions (FAQs), you can visit the admissions website or contact the admissions office through the provided email addresses or phone numbers for further assistance.

Human: What is the email address for overseas admissions inquiries?

Assistant: The email address for overseas admissions inquiries is .

Human: What services does the "Contact Us" option provide?

Assistant: The "Contact Us" option provides a way to reach out to the admissions office for any general inquiries or issues that may not be covered by specific contact information provided.

These questions and answers cover the contact information and related inquiries for the admissions office. Let me know if you need any further assistance!

Here are some questions and answers based on the provided links for the admission process steps:

Human: What is the first step in the admission process?

Assistant: The first step in the admission process is signing up and creating a profile as an applicant. You can view the detailed instructions in the document [here](<https://drive.google.com/file/d/1IG7Np8poqsUCZZ4IXToNkjoiDgrpxW2E/view>).

Human: Where can I find the instructions for submitting an admission application?

Assistant: You can find the instructions for submitting an admission application in the document [here](https://drive.google.com/file/d/1I-yZrSIQ_FbRrSkmr1ShQwLeOpHuM/view).

Human: What is the purpose of Step 1 in the admission process?

Assistant: The purpose of Step 1 in the admission process is to sign up and create a profile as an applicant, which is essential for accessing and completing the admission application.

Human: Can you provide a link to the guide for creating an applicant profile?

Assistant: Yes, the guide for creating an applicant profile can be found [here](<https://drive.google.com/file/d/1IG7Np8poqsUCZZ4IXToNkjoiDgrpxW2E/view>).

Human: How do I begin the admission application process after signing up?

Assistant: After signing up and creating your profile as an applicant, you can begin the admission application process by following the instructions in Step 2, which are available [here](https://drive.google.com/file/d/1I-yZrSIQ_FbRrSkmr1ShQwLeOpHuM/view).

Human: Is there a step-by-step guide available for profile creation and application submission?

Assistant: Yes, there is a step-by-step guide available for profile creation and application submission. You can access the guide for profile creation [here](<https://drive.google.com/file/d/1IG7Np8poqsUCZZ4IXToNkjoiDgrpxW2E/view>) and for application submission [here](https://drive.google.com/file/d/1I-yZrSIQ_FbRrSkmr1ShQwLeOpHuM/view).

Human: What document should I refer to for signing up as an applicant?

Assistant: You should refer to the document [here](<https://drive.google.com/file/d/1IG7Np8poqsUCZZ4IXToNkjoiDgrpxW2E/view>) for signing up and creating your profile as an applicant.

Human: Where can I find the procedure for submitting my admission application?

Assistant: The procedure for submitting your admission application is

detailed in the document [here](https://drive.google.com/file/d/1I-yZrSIQ_FbRrSkmr1ShQwLeOpHuM/view).

Human: What is the link to the document for Step 1 of the admission process?

Assistant: The link to the document for Step 1 of the admission process (Sign Up and Profile Creation as Applicant) is [here](https://drive.google.com/file/d/1IG7Np8poqsUCZZ4IXToNkjoiDgrpxW2E/view).

--

Human: Where can I access the instructions for Step 2 of the admission process?

Assistant: You can access the instructions for Step 2 of the admission process (How to Submit Admission Application) [here](https://drive.google.com/file/d/1I-yZrSIQ_FbRrSkmr1ShQwLeOpHuM/view).

These questions and answers should help clarify the steps in the admission process and where to find the relevant information. If you have more specific questions or need further assistance, feel free to ask!

Here are some questions and answers based on the information you provided about the guidelines for foreign/expatriate Pakistani students at the International Islamic University, Islamabad (IIUI):

Human: How can foreign or overseas Pakistani students apply for admission at IIUI?

Assistant: Foreign or overseas Pakistani students can apply for admission

directly to IIUI through its Online Application Form or the prescribed application form available on the IIUI website (www.iiu.edu.pk). Admissions are not accepted through any representative or third party.

Human: What documents are required for foreign/overseas Pakistani students to apply for admission at IIUI?

Assistant: The required documents for admission are:

1. Application processing fee of US \$75 (non-refundable), with a copy of the deposit slip, challan, Bank Draft, or Pay Order favoring IIUI Islamabad.
2. Copies of all verified educational documents.
3. Passport size photographs with a blue background.
4. Copy of passport, Residential Permit (Eqama), Overseas ID card, NOC from the Ministry of Foreign Affairs or Embassy in Pakistan. For candidates under 18, a copy of the Child Registration Form (B-Form).
5. Three copies of the Government of Pakistan's Permission Form (Students' Information Sheet) available on the IIUI website.
6. An Undertaking for Admission on Paper Qualification (available on the IIUI website).

Human: What are the admission requirements for foreign students at IIUI?

Assistant: Foreign students must meet the following requirements:

1. Verified educational documents (all degrees/certificates).
2. Valid passport and study visa.
3. No Objection Certificate (NOC) from their Ministry of Foreign Affairs or their Embassy in Pakistan.
4. For overseas Pakistani students, a Residential Permit (Eqama), Overseas ID Card, or B-form is required.

Human: What is the procedure for obtaining a study visa for IIUI?

Assistant: The procedure for obtaining a study visa involves the following steps:

1. After admission confirmation, IIUI forwards the case to the Higher Education Commission (HEC) Islamabad for issuing an NOC.
2. The applicant should apply for a study visa at the Pakistan Embassy/Mission in their home country. Students should not travel to Pakistan without a valid study visa.
3. A foreign Diplomat or Multiple Visa holder in Pakistan must obtain an NOC from the Ministry of Foreign Affairs, Government of Pakistan, before joining IIUI.
4. After joining IIUI, students must undergo a language proficiency test conducted by the Arabic Language Teaching Unit and English Language Teaching Unit.
5. Students are required to obtain proper equivalence of their foreign educational certificates/degrees from the Inter-board Committee of Chairmen (IBCC) Islamabad and HEC Islamabad within six months after joining IIUI.

Human: Are there any language requirements for foreign students at IIUI?

Assistant: Yes, foreign and overseas Pakistani students are referred to a language proficiency test conducted by the Arabic Language Teaching Unit and English Language Teaching Unit. Students must pass the language level test before registering for regular courses.

Human: Are foreign students at IIUI allowed to change their degree program

after admission?

Assistant: No, foreign and overseas Pakistani students are admitted to one degree program and are not allowed to switch to another degree program after joining the university.

Human: What are the contact details for male overseas applicants at IIUI?

Assistant: Male overseas applicants can contact the Overseas Admission Office at:

- Address: Student Facilitation Center, International Islamic University, Sector H-10, Islamabad, Pakistan.
- Email:
- Phone: +92-51-9258007, 9019565
- Fax: +92-51-9257915

Human: What are the contact details for female overseas applicants at IIUI?

Assistant: Female overseas applicants can contact the Overseas Admission Office at:

- Address: Student Facilitation Center, International Islamic University, Sector H-10, Islamabad, Pakistan.
- Email:
- Phone: +92-51-9019288
- Fax: +92-51-9257929

Human: How can foreign students obtain a student visa for IIUI?

Assistant: To obtain a student visa, foreign students need to follow these steps:

1. IUI issues an admission offer letter to the successful candidate and sends a copy to HEC Pakistan for coordination.
2. The Ministry of Interior, Government of Pakistan, sends visa advice to the Pakistani Embassy/High Commission in the student's country of origin for visa issuance.
3. The student must apply for a study visa at the Pakistani Embassy/High Commission with the following documents:
 - Visa Application Form (available on the Ministry of Interior website)

- Photocopy of Passport
- Photographs
- Educational Documents
- Copy of the Admission Letter from IIUI

4. The student visa is issued for one year and is renewable annually based on security clearance.

Human: What facilities does IIUI provide in its hostels for foreign students?

Assistant: IIUI hostels offer shared rooms for two, three, or more occupants, an almirah, a table/chair, and a mess for food. However, hostel accommodation is subject to availability.

Human: Does IIUI have separate study facilities for male and female students?

Assistant: Yes, male and female students study separately at IIUI. The university has separate campuses and facilities for male and female students.

These questions and answers should help provide a comprehensive overview of the admission process and requirements for foreign and overseas Pakistani students at IIUI. If you have more specific questions or need further assistance, feel free to ask!

Here are some questions based on the provided information about International Islamic University Islamabad (IIUI):

Admission and Fee Payment

1. ****What happens if a candidate fails to pay the full fee by the due date?****
 - They lose their seat, which is offered to the next waiting candidate on the merit list.
2. ****Are partial fee payments accepted by IIUI?****
 - No, partial payments are not accepted.
3. ****Where can candidates check the last date for fee payment?****
 - The last date can be seen on admission letters or as announced by the Faculty.

Academic System and Structure

4. ****What is the academic system followed at IIUI?****
 - IIUI operates on a semester-based academic system with two regular semesters: Fall (September- January) and Spring (February-June).
5. ****How many credit hours are required for a BS program at IIUI?****
 - A BS program consists of 132-136 credit hours.
6. ****What is the minimum CGPA requirement for a BS degree at IIUI?****
 - The minimum CGPA requirement is 2.00/4.00.

Attendance and Examination

7. ****What is the minimum attendance requirement for students at IIUI?****
 - Students must maintain at least 75% attendance for each registered course

during a semester.

8. **What are the consequences of not meeting the minimum attendance requirement?**

- Students are prevented from appearing in the terminal examination and are treated as "fail" in the course(s).

9. **When are final examinations held for each semester at IIUI?**

- Final exams are held during the last two weeks of each semester: January for Fall and June for Spring.

- Violating the prescribed rules, regulations, dress code, or basic Islamic tenets may result in disciplinary actions.

20. **What is the refund policy for candidates who withdraw their admission within the first week of classes?**

- Full (100%) fee is refunded, excluding the admission fee, if requested within the first 7 days after the commencement of classes.

Graduate Degree Programs

General Requirements for PhD and MS Programs

- **PhD:**

- GRE/HAT General or equivalent test with at least 60% score.
- CGPA of 3.00 in MS or equivalent degree.
- GRE type test: General = 40%, Subject = 60%.

- **MS:**

- GRE General type or equivalent entry test with a passing score of 50%.
- CGPA of 2.5/4.00 or equivalent in previous degrees.
- GRE type test: General = 40%, Subject = 60%.

Faculty of Arabic

- **PhD in Arabic Literature & Linguistics:** MS/M.Phil or equivalent with CGPA 3.0.
- **MS in Arabic Literature & Linguistics:** Relevant undergraduate degree with CGPA 2.5.
- **BS in Arabic:** HSSC or equivalent with 50% marks.

Faculty of Sciences

- **PhD in Statistics:** MS/M.Phil in Statistics with CGPA 3.00.
- **PhD in Mathematics:** MS/M.Phil in Mathematics with CGPA 3.00.
- **MS in Statistics and Mathematics:** Relevant undergraduate degree with CGPA 2.5.
- **BS in Statistics and Mathematics:** HSSC with 50% marks.

Department of Environmental Sciences

- **PhD in Environmental Science:** MS/MPhil in relevant field with CGPA 3.00.

- ****MS in Environmental Science:**** Relevant undergraduate degree with CGPA 2.5.
- ****BS in Environmental Sciences:**** HSSC with Pre-Medical/Pre-Engineering and 50% marks.

Department of Biological Sciences

- ****MS in Bio-Technology:**** Relevant undergraduate degree with CGPA 2.5.
- ****BS in Biology/Bio-Technology:**** HSSC (Pre-Medical) with 50% marks.

Centre for Interdisciplinary Research in Basic Sciences

- **PhD in Nanoscience and Engineering:** 18 years of education in relevant field with CGPA 3.0.
- **MS in Nanoscience and Engineering:** Relevant undergraduate degree with CGPA 2.5.

Faculty of Engineering & Technology

- **PhD in Electrical/Biomedical/Mechanical/Engineering Management/Energy Systems Engineering:** MS in relevant field with CGPA 3.00. PEC registration mandatory for engineering disciplines.
- **MS in Electrical/Biomedical/Mechanical/Engineering Management/Energy Systems Engineering:** Relevant undergraduate degree with CGPA 2.5. PEC registration mandatory for engineering disciplines.

Faculty of Usuluddin (Islamic Studies)

- **PhD in Usuluddin (Islamic Studies):** MS in relevant field with CGPA 3.00.
- **MS in Usuluddin (Islamic Studies):** Relevant undergraduate degree with CGPA 2.5.
- **BS in Usuluddin (Islamic Studies):** HSSC with 50% marks.

Faculty of Management Sciences

- **MS in Management Sciences/Accounting & Finance/Project Management:** Relevant undergraduate degree with CGPA 2.5.
- **MBA (2 years):** 16 years of education with CGPA 2.20.
- **BS in Public Administration/Commerce/Accounting & Finance/Project Management/Business Analytics:** HSSC with 50% marks.

Faculty of Social Sciences

- **PhD in Sociology:** MS/M.Phil in relevant field with CGPA 3.00.
- **BS in Sociology/History/Pakistan Studies/Media & Communication/Political Science/Anthropology/Islamic Arts and Architecture:** HSSC with 50% marks.

International Institute of Islamic Economics

- **MS in Economics/Islamic Banking & Finance/Economics & Finance:** Relevant undergraduate degree with CGPA 2.5.
- **BS in Economics/Islamic Banking and Finance/Economics & Finance:** HSSC with 50% marks.

Faculty of Shariah and Law

- **PhD in Shariah (Islamic Law & Jurisprudence):** LLM/MS in relevant field with CGPA 3.0.

Faculty of Computing & Information Technology

- **PhD in Software Engineering:** MS/M.Phil in relevant field with CGPA 3.00.
- **MS in Software Engineering/Data Science:** Relevant undergraduate degree with CGPA 2.5.

Additional Notes

- Preparatory courses may be required for students who lack the requisite skills or background.
- Admission is provisional until language proficiency or preparatory courses are completed.
- The university reserves the right to drop any program without assigning a reason.
